Suddenly the stillness was broken by a hoarse shout which came from an open window of the little house "Cast off that painter! Cast off that

A "poor man of mutton" is a term applied to a shoulder of mutton in Scotland after it has been served as a roast at dinner and appears as a brolled bone at supper or at the dinner next One of the former earls of B., popularly known as "Old Rag," was indisposed at a hotel in London When one morning the landlord came to enumerate the good things in his larder and to prevail on his guest to eat something, his lordship replied, "Landlord, I think I could eat a morsel of a poor man." This, together with the extremely unprepossessing appearance of his lordship's countenance, is sald to have so terrified poor Boniface that he fled incontinently from the room and tumbled headlong down-
